This how-to guide describes the features of Georgia Early Learning and Development Standards (GELDS), an intuitive, user-friendly web-based interface where teachers can create and share lesson plans and activities.

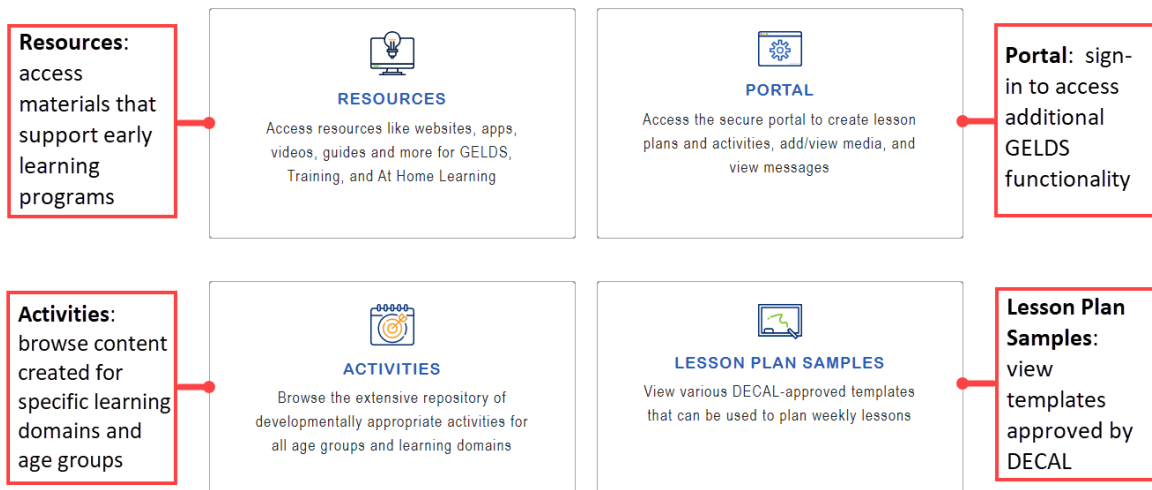

## GELDS Homepage

The GELDS Homepage has three (3) major components which are the Header, Body, and Footer.

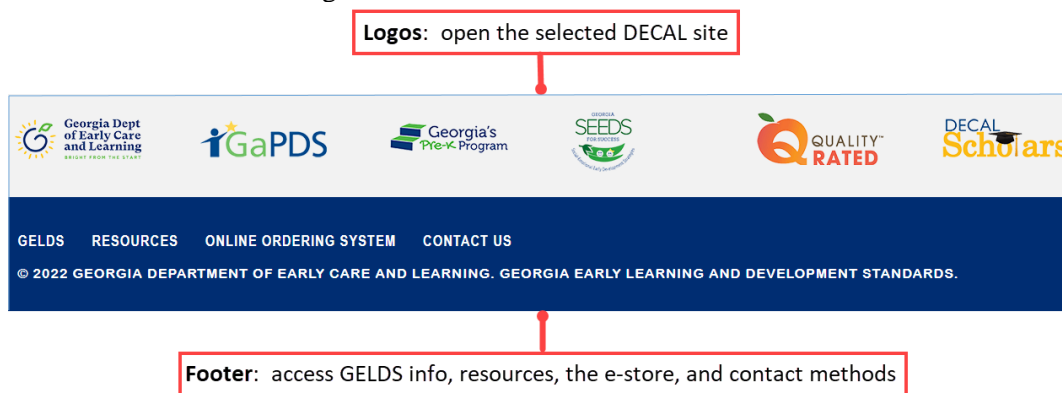

The header consists of the following:

The body consists of the following:

The footer consists of the following:

## Log in to GELDS

GELDS uses the same login credentials as the Georgia Professional Development System (GaPDS).

- On the main GELDS page, there are two ways to access the GELDS Login page:
  - Click on **LOGIN** in the upper right corner.
  - or –
  - Click on **Portal** in the center of the page.
- Once on the Login page, enter a valid GaPDS username and password and click **LOGIN**.

### Login

Use your GaPDS credentials to log in or [create an account](#).

Note: Director (Pre-K and CCLC) logins will not work. Please use your personal registrant account to login.

**Username**

**Password**

[Forgot Login Information?](#)

**LOGIN** **CANCEL**

**Note:** Refer to [FAQs](#) if you do not have a GaPDS account or if you forgot your GaPDS login credentials.

After logging in, the portal menu changes to display the following tabs: Dashboard, Inbox, Lesson Plans, Activities, Media, and GELDS. Refer to the below sections for detailed information on each tab.

## Log out of GELDS

To log out, click on **My Account** and select **LOGOUT**.

The screenshot shows the GELDS user interface. At the top right, there is a navigation bar with social media icons and a 'MY ACCOUNT' dropdown menu. The dropdown menu is open, showing options: 'EDIT PROFILE', 'DASHBOARD', and 'LOGOUT'. A red arrow points to the 'LOGOUT' option. Below the navigation bar, there is a user profile card for 'Flint Stone' with the following details: 'GAPDS # 244499' and 'Last Login: Nov 09, 2022 08:12 AM'. To the right of the profile card, the 'Email Address' is listed as 'flint.stone@flintstonecc.edu' and there is an 'Edit Profile' button.

## GELDS Dashboard

When you first log into GELDS, you will see the Dashboard.

The screenshot shows the GELDS Dashboard for a user named Flint Stone. The dashboard is organized into several sections:

- Profile Information:** Flint Stone, GAPDS # 244499, Last Login: Nov 09, 2022 08:12 AM. Email Address: flint.stone@flintstonecc.edu. An [Edit Profile](#) button is available.
- EMPLOYER(S):** Flintstone Child Care Center.

The Dashboard displays the following specific information about each logged in user:

- Profile Picture (if uploaded)
- Name
- GaPDS #
- Last Login Date and Time
- Email Address
- Employer's Name
- Recent Lesson Plans
- GELDS Training Summary (pending and completed)

**Note:** You must log into GaPDS to update your name, email address, or employer's name.

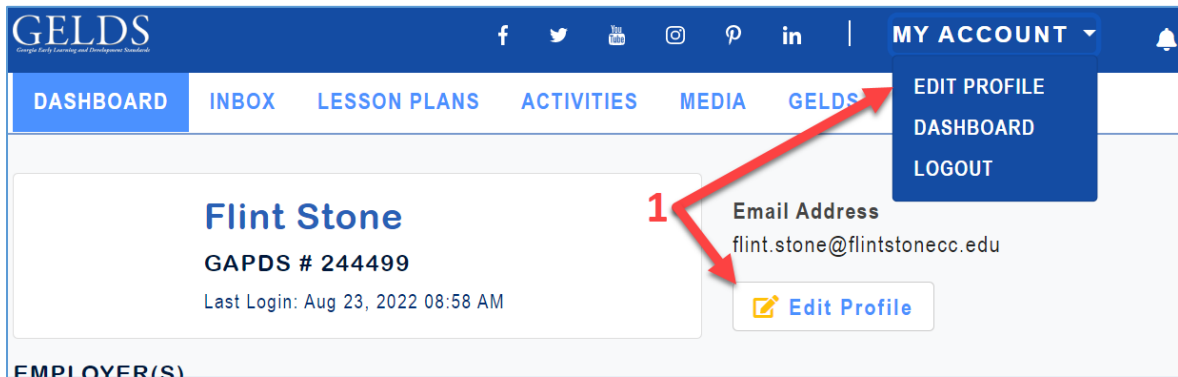

## Manage Profile Picture

Jump to: [Change Profile Picture](#) | [Remove Profile Picture](#)

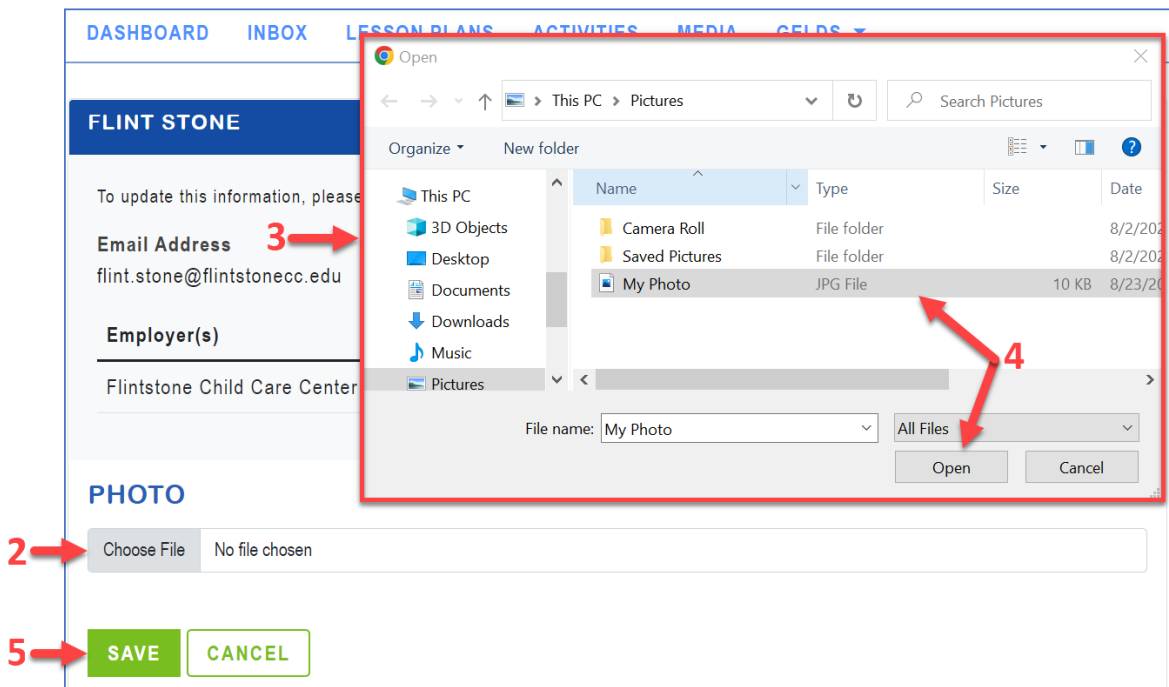

### Upload a Profile Picture

To add a profile picture:

1. Click **My Account** > **Edit Profile** or click on the **Edit Profile** button on the Dashboard.

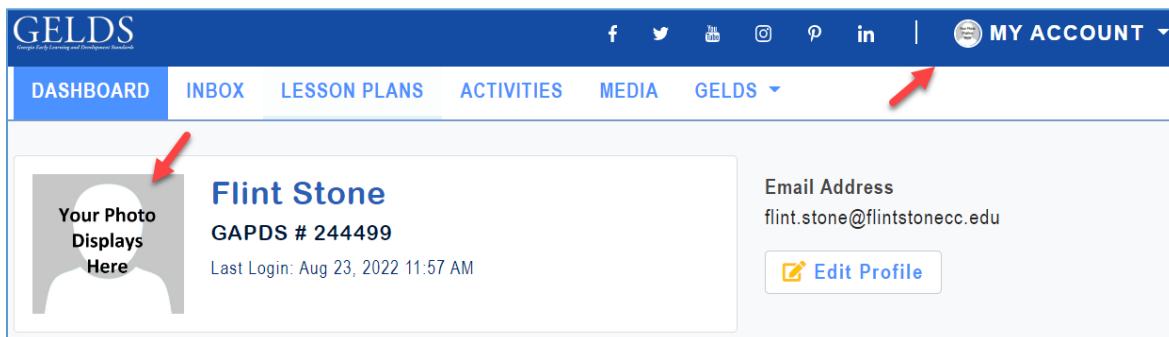

2. Click **Choose File**.

3. Navigate to the photo saved to your computer.
4. Select the photo and click **Open**.
5. Click **Save**. The uploaded photo displays.

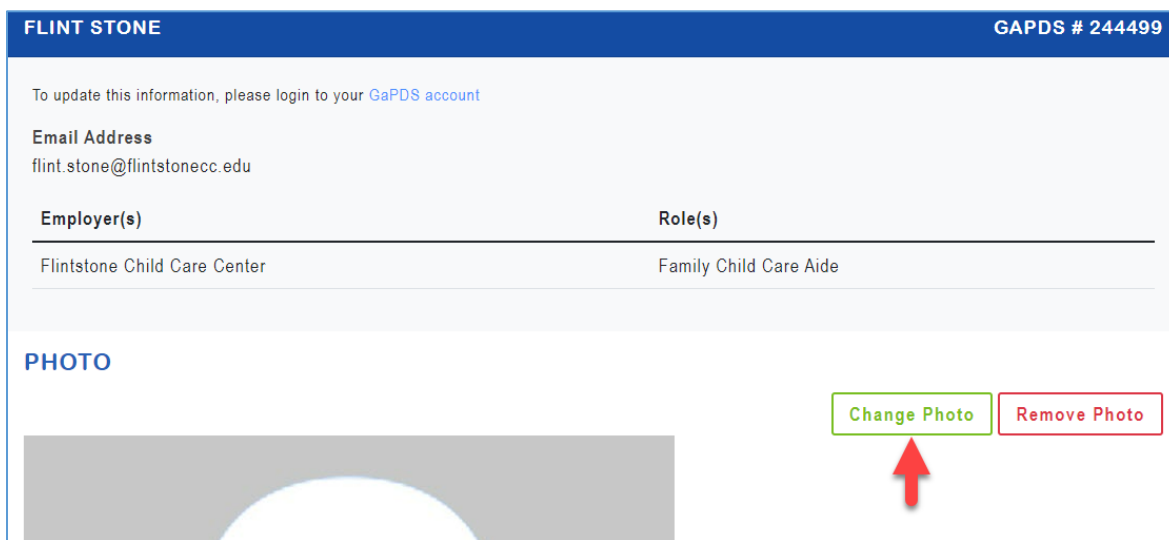

- Click **Cancel** to return to the Dashboard. The uploaded photo displays on the Dashboard and next to My Account.

## Change Profile Picture

To update your profile picture:

- Click **My Account** > **Edit Profile** or click on the **Edit Profile** button on the Dashboard.
- Click **Change Photo**.

- Navigate to the photo saved to your computer.
- Select the photo and click **Open**.
- Click **Save**. The updated photo displays.
- Click **Cancel** to return to the Dashboard. The updated photo displays on the Dashboard and next to My Account.

## Remove Profile Picture

To delete your profile picture:

1. Click **My Account > Edit Profile** or click on the **Edit Profile** button on the Dashboard.
2. Click **Remove Photo**.

The screenshot shows a user profile for 'FLINT STONE' with 'GAPDS # 244499'. The profile information includes an email address and a table of employment details. Below the employment table is a 'PHOTO' section with a placeholder image and two buttons: 'Change Photo' and 'Remove Photo'. A red arrow points to the 'Remove Photo' button.

Employer(s)	Role(s)

PDM1 - The child will practice healthy and safe habits.

**Rationale**  
One-year-olds are interested in exploring and interacting with their world to learn new things. Their short attention span keeps them moving from one thing to another, staying with a particular activity for not longer than three to five minutes.

**Examples**

1. throws beanbags in a basket
2. pushes toy grocery cart
3. crawls on climbers or slides
4. uses riding toys with or without pedals
5. uses age appropriate playground equipment

**Note:** Refer to the GELDS Overview (located in the GELDS menu) for an outline of the structural components of the standards & indicators code (i.e., PDM6.3b).

## Manage Media

On the Manage Media page, you can create custom media as well as view DECAL media. To access the Media page, log into the GELDS site and click on the **MEDIA** tab on the Portal menu.

The screenshot shows the GELDS Manage Media interface. At the top, there's a navigation bar with tabs for DASHBOARD, INBOX, LESSON PLANS, ACTIVITIES, MEDIA, and GELDS. Below this is a search filter section with fields for Keyword, Domain, Indicator, and Media Type, along with checkboxes for 'Include DECAL media' and 'Include archive records'. A table of media entries is displayed below, with columns for Type, Owner, Media Title, Description, and Last Updated. The table shows 10 entries, including '2-4-6-8', 'A Circle We Will Make', 'A Good Idea', 'ABC Song', 'Animal Fun', 'Animal Home', 'Are You Helping?', 'Are You Listening?', 'Be a Friend', and 'Bluebirds'. A pagination control at the bottom indicates 'Showing 1 to 10 of 164 entries'.

## Search Media

By default, the Media grid displays DECAL media as well as media owned by the user sorted by the Media Title. To search for media:

- Enter one or more of the following search criteria:
  - Keyword** – enter a keyword to view all media having a title or description with characters matching the keyword entered
  - Domain** – select a GELDS domain to filter for media related to that domain
  - Age Group** – select one or more age groups to view media associated with the selected age groups
  - Media Type** – select the media type you are searching for
- Click **SEARCH**. If any records match your search criteria, they will populate in the media grid.
- Only ten (10) media records display per page. Use the paging control at the bottom of the grid to navigate through the search result pages.
- You can filter the results further by unchecking or checking the following:

- **Include DECAL records** – when checked DECAL media display in the media list. To show only your custom media, uncheck this box.
- **Include Archive records** – when checked archived media display with a gray background.

5. To reset the grid to display the default media view, click the **Clear filters** link below the search fields.

## Sort Media

By default, the media displays alphabetically in ascending order by the Media Title. To change the sort order:

1. Click on the column header you wish to sort on. You can sort the media by the Owner, Media Title, Description, or Last Updated date in ascending (▲) or descending (▼) order.

### Search Lesson Plans

The Lesson Plan grid lists all lesson plans created by or shared with the logged in user. To search for a lesson plan:

- Enter one or more of the following search criteria:
  - Keyword** – enter a keyword to view all lesson plans having a theme matching the keyword entered
  - Owner** – select a user from the list who has shared a lesson plan with the logged in user
  - From Date** – select the beginning date of a date range that you wish to search
  - To Date** – select the ending date of a date range that you wish to search
  - Age Group** – select one or more age groups to view lesson plans created for the selected age groups
- Click **SEARCH**. If any records match your search criteria, they will populate in the activities grid.
- Only ten (10) lesson plan records display per page. Use the paging controls (◀ ▶) at the bottom of the grid to navigate through the additional search result pages.
- You can filter the results further by unchecking or checking the **Include Archived Lesson Plans**.

When checked, any archived lesson plans display with a gray background.

- To clear the search results and criteria, click the **Clear filters** link. The grid resets to display the lesson plan page default view.

### Save Search

To save time performing repetitive searches, you can create a saved search based on the criteria entered or selected. To create a saved search, complete the following steps:

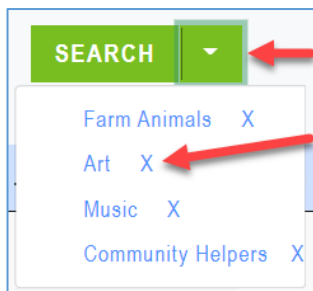

- Enter or select your search criteria and click **Search**.
- Click the **Save Search** link.
- In the Save Search pop-up, enter a name to assign to the saved search in the **Search Name** field.

- Click **Save**.
- To view or select the saved search:
  - Click the down arrow on the right side of the Search button.
  - Select the saved search you wish to view or use. The search criteria applied to the saved search populate.
  - Click **Search**. Records matching your search criteria will populate in the lesson plan grid.

**Note:** When saving a search, you are saving the search criteria and not the results. Therefore, the results may change between each search if you create new lesson plans or if other teachers share them with you.

- To delete a saved search:

D. Click the down arrow located on the right side of the Search button.

PDM SED APL CLL CD

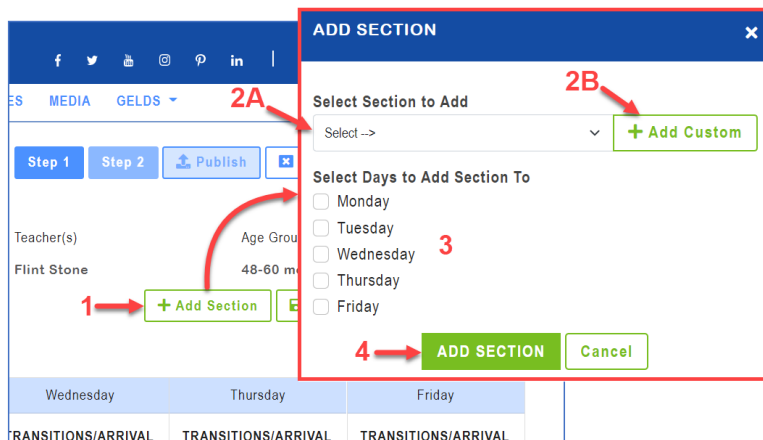

As you add activities to the sections of the lesson plan, the domains represented by the activities will change to display in color.

As part of your planning strategy, the goal should be to include each of the domains in the completed lesson plan.

## Add Section

The lesson plan will initially include the predefined sections for Pre-K or the sections selected in Step 1 for preschools. To add additional sections to the lesson plan, open the lesson plan you want to edit and complete the following steps:

1. Click the **+ Add Section** button. An Add Section screen displays.

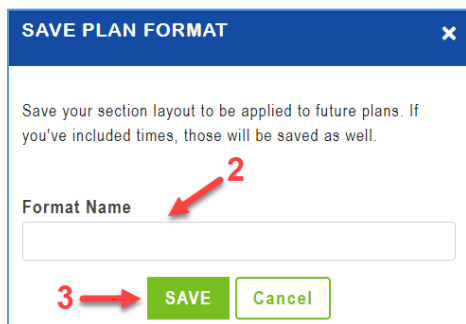

2. Do one of the following:
  - A. Click on the **Select Section to Add** dropdown to select the section you wish to add from the list. - or -
  - B. Click **+Add Custom** to enter a custom section name.
3. Select the lesson plan days that you wish to add the section to.
4. Click the **Add Section** button. The section will be added to each of the selected lesson plan days.

## Save Plan Format

The Save Plan Format button will allow you to save the current lesson plan information as a template. The save format option includes the lesson plans theme, age group(s), plan days, sections, and section order (or timestamp) so that it can be reused when building a new lesson plan.

To save a plan format, open the lesson plan you want to save and complete the following steps:

1. Click **Save Plan Format**.
2. In the Format Name field, enter the name for your saved format.

3. Click **Save**.
4. To apply the saved format, complete the following steps:
  - A. Click the + **Lesson Plan** button on the top right.
  - B. Click on the **Load Saved Format** dropdown on the lesson plans Step 1 page and then select from your saved formats. This will pre-populate the new lesson plan with the saved information.

- C. Enter a Theme and select a week.
- D. Click **Continue**. Step 2 of the lesson plan displays and you can edit

## Share Lesson Plan

Once a lesson plan has been published, you will be able to Share the lesson plan with other teachers within your organization.

1. To share a lesson plan, complete one of the following steps:

## Lesson Plan Sections

Each day of the lesson plan contains all the sections selected in Step 1. The sections are initially sorted in alphabetical order, but you can manage the order in 2 ways.

### Option 1:

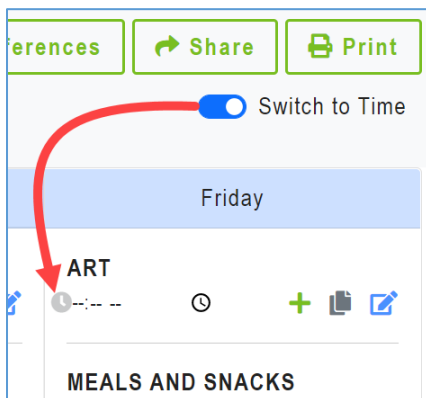

1. Click on the **Change Order** (↕) icon to drag and drop each desired section.

2. Drag the section up or down within the lesson plan day to place the sections in the desired order.

### Option 2:

1. If you wish to assign a specific time to each section, click on the **Switch to Time** option above the lesson plan days.

2. Click **OK** to confirm the switch.

**Note:** If you switch to time, a time field will display in each section. The drag and drop feature will no longer be available.

3. Manually enter the time or click on the clock to select a time.

4. Once the times are selected, the sections will automatically be ordered by the times entered.

## Copy Section

1. When the sections are in the desired order, click on the **Copy** icon.

2. The Copy Section displays the following options:

**COPY SECTION** ×

**ART**  
DAY: MONDAY

Copy Order/Times for Week

Copy Order/Times for all Sections for Week

Copy Section for Today

Copy Section to Another Day

Cancel

**Copy Order/Times for the Week:** This option will copy the time assigned to the section to the same section for the other days of the week.

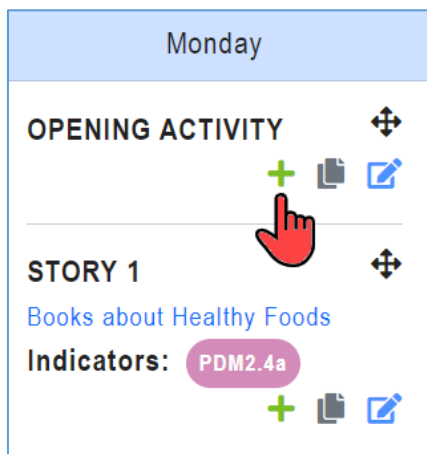

**Copy Order/Times for all Sections for Week:** This option will apply the sort order/times for all sections of the selected day to the sections in all other days.

**Copy Section for Today:** This option can be used if you want to duplicate a section in the same day.

**Copy Section to Another Day:** This option can be used to copy a section to one or more selected days in the week.

## Add Activities to a Section

1. Click the **Add Activities (+)** icon in the section you want to add the activity(s).

2. On the Add Activities to Section module, you can search for activities by using one or more of the following search criteria:

- **Select from Favorites List** – select from activities saved as a favorite
- **Keyword** – searches the activity title, short description, and long description to display matching activities
- **Domain** – select a Domain to filter activities by domain

2. If needed, update **Step 1** and then continue to **Step 2** to make any desired changes to the sections and/or activities.

## Inbox

The GELDS Inbox is an email like service that delivers notifications to users when another GELDS user has shared a GELDS lesson plan or activity. The sent notifications automatically display in your inbox.

When opening the inbox, the left side of the page displays the following:

- Name of the sender
- Name of the item shared
- Date or time the user received the notification

When you select a notification, the detail pane on the right side displays the shared item, including the following information:

- Title of the lesson plan or activity shared
- Notes provided by the user who shared the item
- Week of (if the shared item is a lesson plan)
- Short description (if the shared item is an activity)
- Age Group(s)

- Link to the lesson plan or activity search screen

Unread notifications display in bold font. Clicking 'unread' notifications marks them as 'read'. Read notifications display in normal font.

## Notification Detail

The information in the notification detail section differs depending on whether the shared item is a lesson plan or an activity

- **Shared Lesson Plans Notifications**

For a shared lesson plan, the details include the Lesson Plan Theme, Notes provided by the user who shared the lesson plan, Lesson Plan Week of, Age Group(s), and a link to the main Lesson Plan page where users can view, copy, or archive the shared plan.

Laura Reid "I Spy" Logo Hunt	Aug 22	
Barbara Mcwethy "This is the Way"	Aug 19	
Smil Gwini	Aug 10	

**Important Reminder:** You cannot edit a shared lesson plan or activity but will have an option to copy the item and then revise the copied version.

## Delete Notification

To delete a notification from your inbox, click on the **Delete Notification** (🗑️) icon on the right side of the detail panel. Once deleted, the notification will no longer appear in your inbox. You cannot retrieve deleted notifications; however, the shared item will still display on your lesson plan or activity page.

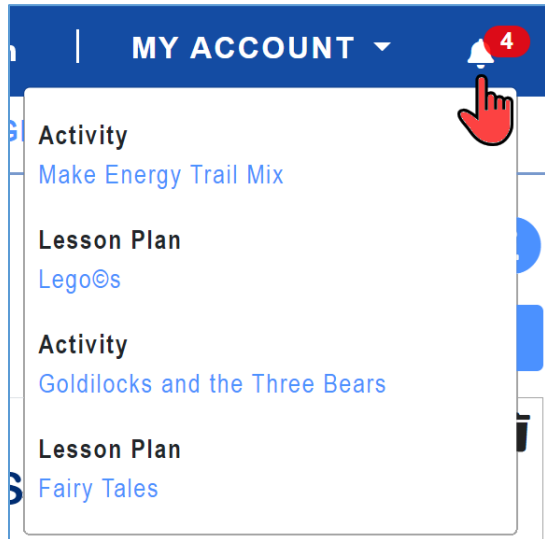

## Search Messages

GELDS provides a search capability for users to enter a keyword to query their inbox notifications for matching records. The system searches for matches in the sender's name, activity title or description, or lesson plan theme fields and displays the filtered results in the notification list.

1. To search, enter a keyword or phrase in the search field on the right and then click the **Search** (🔍) icon.
2. If you need to refine the returned results or the system does not find a match, clear the text from the search field, enter a new keyword or phrase, and click the **Search** icon again.
3. To return to the default notification list, click **INBOX** in the main menu.

## Notification Alarm

In the menu bar to the right of the MY ACCOUNT link, a bell icon displays the count of *unread* notifications in your inbox. Click on the **bell** to display the list of notifications.

You may click on any of the notifications in the alarm dropdown to view the notification in your inbox. Once you view an item in the inbox, it will no longer display in the notification alarm menu.
